## FESTIVAL 2022 Newsletter ISSUE 2

Welcome to the issue 2 of Lechmere Volunteer Lodge Festival 2022 Newsletter.

As your Lodge Festival 2022 Charity Steward, it is my task with your help to ensure that we meet the targets set with regard to this very important Festival.

To this end I need the support of every member of the Lodge. In past Festivals our Lodge has ranked amongst the top five Lodges with the highest contributions by donation and it will be a very sad day if we do not maintain that record.

We have four years to reach the target we have been set by our Province a little over £27,000.00 it seems an enormous sum of money but I believe that we can between us achieve the target set.

The **GOOD NEWS** is that we are slowly climbing the league table and I have pleasure below in updating you of our present standing which are as follows:

So far, the total amount donated and pledged by the Lodge amounts to £10,801.10

Pledged £5,807.44

Donated £4,993.66

Total £10,801.10

The amount per Capita donated and pledged = £317.68

% of Regular Givers in the Lodge = 38%

### Festival 2022 League Table:

Lechmere's placing based on Total amount donated and pledged = 14<sup>th</sup> place

Lechmere's placing based on amount per capita donated and pledged = 19<sup>th</sup> place

Lechmere's placing based on percentage of Regular Givers = 27<sup>th</sup> place

As you can see we have made considerable progress from my first News Letter but the one area we need to improve is **REGULAR GIVING** with only 38% of the brethren who have signed up so those who have not please consider for as little as £6.66 per month by Direct Debit over 48 months would put the Lodge in a strong position in achieving the target set by Province.

My sincere thanks go to all the brethren who are supporting Festival 2022.

**Regular Giving-Don't delay, do it today!**
